About Ford Motor Company

Ford Motor Company (NYSE: F) is a global company based in Dearborn, Michigan, committed to helping build a better world, where every person is free to move and pursue their dreams. The company’s Ford+ plan for growth and value creation combines existing strengths, new capabilities, and always-on relationships with customers to enrich experiences for customers and deepen their loyalty. Ford develops and delivers innovative, must-have Ford trucks, sport utility vehicles, commercial vans and cars and Lincoln luxury vehicles, along with connected services, including BlueCruise (ADAS) and security. The company offers freedom of choice through three customer-centered business segments: Ford Blue, engineering iconic gas powered and hybrid vehicles; Ford Model e, inventing breakthrough electric vehicles (“EVs”) along with embedded software that defines always-on digital experiences for all customers; and Ford Pro, helping commercial customers transform and expand their businesses with vehicles, software and services tailored to their needs. Additionally, the company provides financial services through Ford Motor Credit Company. Ford employs about 169,000 people worldwide. More information about the company and its products and services is available at corporate.ford.com.
