Ford to Participate in Morgan Stanley's 5G / AV Summit

DEARBORN, Mich., June 14, 2018 – On Monday, June 18, Ford Motor Company (NYSE: F) will participate in a fireside chat at the 5G / AV Summit organized by Morgan Stanley.

Don Butler, Ford's executive director for Connected Vehicle Platform & Product, will share views on the importance of connectivity as the industry heads towards the deployment of autonomous vehicles and the steps Ford is taking to get there with implementation of 100 percent connectivity across its vehicle range in the U.S. and China by the end of 2019.

This Q&A-style session will take place from 11:00 a.m. to 11:45 a.m. EDT at Morgan Stanley's offices in New York City (522 Fifth Avenue, New York). Remote access will be available via webcast link.
