This press release shall not constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale

of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About Repligen Corporation

Repligen Corporation (NASDAQ:RGEN) is a global bioprocessing company that develops and commercializes highly innovative products that deliver cost and process efficiencies to biological drug manufacturers worldwide. Our portfolio includes filtration products (including XCell™ ATF, TangenX™ SIUS™ TFF and Spectrum KrosFlo™ TFF filters and systems), chromatography products (OPUS® pre-packed columns, chromatography resins, ELISA kits) and protein products (Protein A affinity ligands including NGL Impact™-A, cell culture growth factors). Our XCell™ ATF Systems, available in stainless steel and single-use configurations, are used in perfusion processes to continuously concentrate cells and increase product yield from a bioreactor. Single-use SIUS™ TFF cassettes and hardware are used for biologic drug concentration in downstream filtration processes. KrosFlo™ TFF cartridges and systems are used in both upstream and downstream filtration processes. Our innovative line of OPUS® chromatography columns, used in bench-scale through commercial-scale biologics purification, are delivered pre-packed to our customers with their choice of affinity resin. Protein A ligands and growth factor products that we produce are essential components of Protein A affinity resins used in biologics purification, and cell culture media used to accelerate cell growth in a bioreactor. Repligen's corporate headquarters are in Waltham, MA (USA), with additional administrative and manufacturing operations in Marlborough, MA, Rancho Dominguez, CA, Lund, Sweden and Ravensburg, Germany.

Cautionary Language Concerning Forward-Looking Statements
