

NEWS RELEASE

Repligen to Present at the 2013 Stephens Fall Investment Conference

2013-11-06

WALTHAM, Mass., Nov. 6, 2013 (GLOBE NEWSWIRE) -- Repligen Corporation (Nasdaq:RGEN) today announced that Walter C. Herlihy, Ph.D., President and Chief Executive Officer, will present an overview of the Company at the Stephens Fall Investment Conference on Wednesday, November 13 at 10:00 a.m. EST. The annual conference will take place November 12-13, 2013 at the New York Palace Hotel in New York.

The Repligen presentation will not be webcast, however the slide presentation will be available on the Company's website at www.repligen.com; see Events & Presentations under Investor Relations.

About Repligen Corporation

Repligen Corporation is a life sciences company focused on the development, production and commercialization of high-value consumable products used in the process of manufacturing biological drugs. Our bioprocessing products are sold to major life sciences and biopharmaceutical companies worldwide. We are a leading manufacturer of Protein A, a critical reagent used to separate and purify monoclonal antibody therapeutics. We also supply several growth factor products used to increase cell culture productivity during the fermentation stage of drug manufacturing. In addition, we have developed and market our OPUS® line of pre-packed "plug-and-play" chromatography columns, and we provide test kits to ensure final product quality. Repligen's corporate headquarters are located in Waltham, MA (USA) and our manufacturing facilities are located in Waltham, MA and Lund, Sweden.

This press release may contain forward-looking statements within the meaning of the federal securities laws. Investors are cautioned that statements in this press release which are not strictly historical statements including, without limitation, statements identified by words like "believe," "expect," "may," "will," "should," "seek," or "could"

and similar expressions, constitute forward-looking statements. Such forward-looking statements are subject to a number of risks and uncertainties that could cause actual results to differ materially from those anticipated, including, risks discussed from time to time in our filings with the Securities and Exchange Commission. We expressly disclaim any responsibility to update forward-looking statements, except as required by law.
