## Repligen to Report Fourth Quarter and Fiscal Year 2013 Financial Results

2014-02-25

WALTHAM, Mass., Feb. 25, 2014 (GLOBE NEWSWIRE) -- Repligen Corporation (Nasdaq:RGEN) today announced that it will report fourth quarter and fiscal year 2013 financial results on Thursday, March 6, 2014. The Company will issue a press release before the market opens and will host a conference call at 9:00 a.m. EST to discuss business updates and financial results for the reporting periods ended December 31, 2013. In addition, the Company will provide financial guidance for its fiscal year 2014.

Repligen's fourth quarter conference call will be accessible by dialing (866) 318-8620 for domestic callers or (617) 399-5139 for international callers. Dial-in participants must provide the passcode 47036442. Alternatively, a webcast will be accessible via the Investor section of Repligen's website [www.repligen.com](http://www.repligen.com). Both the conference call and webcast will be archived for a period of time following the live event. The replay dial-in numbers are (888) 286-8010 for domestic callers and (617) 801-6888 for international callers. Replay listeners must provide the passcode 50353989.

### About Repligen Corporation

Repligen Corporation (Nasdaq:RGEN) is a life sciences company focused on the development, production and commercialization of high-value consumable products used in the process of manufacturing biological drugs. Our bioprocessing products are sold to major life sciences and biopharmaceutical companies worldwide. We are the leading manufacturer of Protein A affinity ligands, a critical component of Protein A media which is used to separate and purify monoclonal antibody therapeutics. Our growth factor products are used to increase cell growth and product yield during the fermentation stage of biologic drug manufacturing. In addition, we developed and market an innovative line of "plug-and-play" chromatography columns named OPUS® (Open Platform User Specified) that

we deliver to our biopharmaceutical customers pre-packed with their choice of purification media. We also provide test kits to ensure final product safety and quality. Repligen's corporate headquarters are in Waltham, MA (USA) and our manufacturing facilities are located in Waltham, MA and Lund, Sweden.

This press release may contain forward-looking statements within the meaning of the federal securities laws. Investors are cautioned that statements in this press release which are not strictly historical statements including, without limitation, statements identified by words like "believe," "expect," "may," "will," "should," "seek," or "could" and similar expressions, constitute forward-looking statements. Such forward-looking statements are subject to a number of risks and uncertainties that could cause actual results to differ materially from those anticipated, including risks discussed from time to time in our filings with the Securities and Exchange Commission. We expressly disclaim any responsibility to update any forward-looking statements, except as required by law.
