## About Ategrity Specialty Insurance Company Holdings

Ategrity Specialty Insurance Company Holdings is a growing specialty insurance company dedicated to providing excess and surplus ("E&S") products to small to medium-sized businesses across the United States. We have built a proprietary underwriting platform that combines sophisticated data analytics with automated and streamlined processes to efficiently serve our clients and deliver long-term value to our stockholders. The small to medium-sized business market is characterized by large volumes of small-sized policies, and we believe our competitive

edge lies in our ability to offer consistent, high-speed, and low-touch interactions that our distribution partners value. This advantage stems from our technology-driven method of standardizing, simplifying, and automating our transaction process, which we call productionized underwriting.
