McGraw Hill Named a “Best Workplace for Innovators” in Education by Fast Company

2023-07-18

July 11, 2023 – McGraw Hill today was named a 2023 **“Best Workplace for Innovators” in Education** by Fast Company, an award that honors organizations and businesses that demonstrate an inspiring commitment to encourage and develop innovation at all levels.

Developed in collaboration with Accenture, the 2023 Best Workplaces for Innovators ranks companies from a variety of industries, including entertainment, biotech, consumer packaged goods, marketing, education, healthcare, and many more. Fast Company editors and Accenture researchers collaborated together to score nearly 1,000 submissions, and a panel of eight distinguished judges reviewed and endorsed the top companies. The 2023 awards feature workplaces from around the world.

The award is meaningful recognition for McGraw Hill, which has transformed in recent years into a global leader in digital learning with digital billings now comprising 60% of total company billings and approaching 90% in Higher Education in its most recent fiscal year.

In the last 12 months, McGraw Hill has released several new innovations that leverage emerging technologies to respond to changing student study habits and to the needs of educators. Those include:

- **The McGraw Hill AR app**
- **Enhanced artificial intelligence in McGraw Hill ALEKS**
- **McGraw Hill GO**
- **The Sharpen study app**

McGraw Hill

McGraw Hill is a leading global education company that partners with millions of educators, learners and professionals around the world. Recognizing their diverse needs, we build trusted content, flexible tools and powerful digital platforms to help them achieve success on their own terms. Through our commitment to equity, accessibility and inclusion, we foster a culture of belonging that respects and reflects the diversity of the communities, learners and educators we serve. McGraw Hill has over 30 offices across North America, Asia, Australia, Europe, the Middle East and South America, and makes its learning solutions for PreK-12, higher education, professionals and others available in more than 80 languages.
