LATAM Airlines Group Announces the Publication of its 2025 Annual Integrated Report

Santiago, April 7, 2026 - LATAM Airlines Group S.A. ("LATAM Airlines Group" or the "Company") (NYSE: LTM / SSE: LTM) and its affiliates, the leading airline group in South America, announces the publication of its 2025 Annual Integrated Report in English and Spanish.

The 2025 Annual Integrated Report highlights LATAM group's key milestones throughout the year, including solid financial performance, the continued execution of its profitable growth strategy and initiatives aimed at enhancing both the customer and employee experience, alongside progress in environmental, social, and governance (ESG) dimensions. It captures how the group is advancing with purpose, creating opportunities and value for its customers, employees, and the environment.

The document in Spanish is available on the website of the Financial Market Commission at www.cmfchile.cl or on the Company's Investor Relations website at ir.latam.com in both languages.

Additionally, the Portuguese version of its Annual Integrated Report will soon be available on the Investor Relations website.

The publication of the Annual Integrated Report comes after the recent release of the Form 20-F, filed with the SEC, and together they provide a comprehensive view of LATAM's annual performance.

In addition, shareholders may receive a hard copy of the Company's complete audited financial statements free of charge by requesting a copy from LATAM Airlines Group Investor Relations Office.

ABOUT LATAM GROUP

LATAM Airlines Group S.A. and its affiliates are the principal group of airlines in Latin America present in five domestic markets in the region: Brazil, Chile, Colombia, Ecuador and Peru, in addition to international operations within Latin America and to / from Europe, the United States, Oceania, Africa and the Caribbean.

The group has a fleet of Boeing 767, 777, 787, Airbus A321, A321Neo, A320, A320Neo, and A319 aircraft. Additionally, the Airbus 330, operated under short-term leases, is also part of the current operations.

LATAM Cargo Chile, LATAM Cargo Colombia and LATAM Cargo Brazil are the LATAM group cargo subsidiaries. In addition to having access to the bellies of the passenger affiliate's aircraft, they have a fleet of 21 freighters. They operate on the LATAM group network as well as international routes that are solely used for freighters. They offer modern infrastructure, a wide variety of services and protection options to meet all customer needs.
