## Mast Reminds Stockholders To Vote For The Proposed Merger With Savara

2017-04-17

- Of the Votes Received to Date, More than 90% Are Voting in Favor of the Merger
- More Votes Are Needed to Reach 50% of the Outstanding Shares Required for Merger to Go Forward
- Every Vote Is Important to Avoid Delay in Completion of the Merger

SAN DIEGO, April 17, 2017 /PRNewswire/ -- **Mast Therapeutics, Inc.** (NYSE MKT: MSTX) would like to thank its stockholders for their support of the proposed merger with Savara Inc. ("Savara") and remind those stockholders that have not yet voted to vote without delay "FOR" the merger and the other proposals in the Company's proxy statement/prospectus/ information statement for the special meeting of its stockholders to be held on April 21, 2017 at 9:00 a.m. Pacific Time.

"The overwhelming majority of Mast stockholders who have submitted their votes have voted in favor of the merger. However, more votes are needed to meet the required threshold for the merger to be completed," stated Brian M. Culley, Chief Executive Officer of Mast.

"Mast has more than 30,000 stockholders and many of them hold relatively small positions. For the merger to go forward, it is necessary also for stockholders with smaller positions to submit their votes in favor of the proposals. Larger stockholders cannot carry this forward alone," continued Mr. Culley. "I encourage everyone who owned Mast shares on March 13<sup>th</sup>, the record date for this meeting, to exercise their right to vote and help make this merger with Savara come to fruition, as has been unanimously recommended by independent proxy advisors, ISS and Glass Lewis, and the boards of directors of both companies."

Mast stockholders should note that the merger proposal (Proposal 1), the reverse stock split proposal (Proposal 2)

and the name change proposal (Proposal 3) must all be approved for the merger to be completed. If any of those proposals is not approved, the merger will not go forward. Failure to vote or an abstention from voting will have the same effect as a vote "AGAINST" the merger and related proposals. All stockholders are asked to vote "FOR" all proposals now. If you previously voted against any of these proposals and would now like to change your vote, you can do so by contacting Mast's proxy solicitor.

**THE MERGER WILL NOT GO FORWARD UNLESS  
THE MERGER, REVERSE STOCK SPLIT AND NAME CHANGE PROPOSALS  
ARE ALL APPROVED.**

**Mast stockholders – Please vote TODAY!**

## Additional Information about the Proposed Merger and Where to Find It

In connection with the proposed merger, Mast Therapeutics has filed relevant materials with the Securities and Exchange Commission, or the SEC, including a registration statement on Form S-4 that contains a proxy statement, prospectus and information statement. The registration statement was declared effective by the SEC on March 15, 2017. The proxy statement/prospectus/information statement and other relevant materials, and any other documents filed by Mast with the SEC, may be obtained free of charge at the SEC web site at [www.sec.gov](http://www.sec.gov). In addition, investors and security holders may obtain free copies of the documents filed with the SEC by Mast by directing a written request to: Mast Therapeutics, Inc. 3611 Valley Centre Drive, Suite 500, San Diego, California 92130, Attn: Investor Relations. Investors and security holders of Mast and Savara urged to read the proxy statement/prospectus/information statement and other relevant materials before making any voting or investment decision with respect to the proposed merger.

This communication shall not constitute an offer to sell or the solicitation of an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities in connection with the proposed merger shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.

## Participants in the Solicitation

Mast and its directors and executive officers and Savara and its directors and executive officers may be deemed to be participants in the solicitation of proxies from the stockholders of Mast and Savara in connection with the proposed transaction. Information regarding the special interests of these directors and executive officers in the proposed merger is included in the proxy statement/prospectus/information statement referred to above. Additional information regarding the directors and executive officers of Mast is also included in Mast's Annual

Report on Form 10-K for the year ended December 31, 2016, which was filed with the SEC on March 6, 2017. These documents are available free of charge at the SEC web site ([www.sec.gov](http://www.sec.gov)) and from Investor Relations at Mast at the address described above.

## Forward Looking Statements

Mast and Savara caution you that statements in this press release that are not a description of historical fact are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words referencing future events or circumstances such as "expect," "intend," "plan," "anticipate," "believe," and "will," among others. Such statements include, but are not limited to, statements regarding the structure, timing and completion of the proposed merger; expectations regarding listing and trading of Mast's common stock on the NYSE MKT and of the combined organization's common stock on the Nasdaq Capital Market; the capitalization, resources, ownership structure of the combined organization; the nature, strategy and focus of the combined organization; the safety, efficacy and projected development timeline and commercial potential of any product candidates; the executive officer and board structure of the combined organization; and the expectations regarding voting by Mast stockholders. Mast and/or Savara may not actually achieve the proposed merger, or any plans or product development goals in a timely manner, if at all, or otherwise carry out the intentions or meet the expectations or projections disclosed in the forward-looking statements, and you should not place undue reliance on these forward-looking statements. Because such statements are subject to risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. These forward-looking statements are based upon Mast's and Savara's current expectations and involve assumptions that may never materialize or may prove to be incorrect. Actual results and the timing of events could differ materially from those anticipated in such forward-looking statements as a result of various risks and uncertainties, which include, without limitation, risks and uncertainties associated with stockholder approval of and the ability to consummate the proposed merger through the process being conducted by Mast and Savara, the ability to project future cash utilization and reserves needed for contingent future liabilities and business operations, the availability of sufficient resources for combined company operations and to conduct or continue planned clinical development programs, the timing and ability of Mast or Savara to raise additional equity capital to fund continued operations; the ability to successfully develop any of Mast's and/or Savara's product candidates, and the risks associated with the process of developing, obtaining regulatory approval for and commercializing drug candidates that are safe and effective for use as human therapeutics. Risks and uncertainties facing Mast, Savara and the combined organization and risks related to the proposed merger are described more fully in the proxy statement/prospectus/information statement referred to above. You are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date on which they were made. Neither Mast nor Savara undertakes any obligation to update such statements to reflect events that occur or circumstances that exist after the date on which they were made, except as may be

required by law.
