The live webcast and subsequent replay will be available on the "Events & Presentations" section of the Company's corporate website at <https://savarapharma.com/investors/events-presentations/> and will be archived for 30 days.

About Savara

Savara is a clinical stage biopharmaceutical company focused on rare respiratory diseases. Our lead program, MOLBREEVI*, is a recombinant human granulocyte-macrophage colony-stimulating factor (GM-CSF) in Phase 3 development for autoimmune pulmonary alveolar proteinosis (aPAP). MOLBREEVI is delivered via an investigational eFlow® Nebulizer System (PARI Pharma GmbH) specifically developed for inhalation of a large molecule. Our management team has significant experience in rare respiratory diseases and pulmonary medicine, identifying unmet needs, and effectively advancing product candidates to approval and commercialization. More information can be found at www.savarapharma.com, X: [@SavaraPharma](https://twitter.com/SavaraPharma) and [LinkedIn](https://www.linkedin.com/company/savara-pharma).

*MOLBREEVI is the FDA and EMA conditionally accepted trade name for molgramostim inhalation solution.
